Flowers - Carnations weren't ready at Vogue so they had to pull them out of the fridge, which is why they so looked poor. Will use roses next year. Let's talk about maybe changing up senior flowers next year.

Hospitality - Cake was great - The Mixing Bowl. Amy paid \$90, they had offered to donate.

Senior - Varied pictures came in from Senior families but not enough to show. Maybe need to be more specific next year. Tennis did one baby picture and one senior picture. Get senior group photos for next year - take these through out the year. Word art and group shot made a good gift for this year seniors.

Show Choir - just held parent meeting. Car wash was fantastic. Barbecue at the Martins afterwards. Gearing up for next year. There was a full auditorium for freeman focus performance - really respectful audience. May need to add rubber grips to dance shoes. Car wash on August 20.
