

Attention Parents of Chorus Students at DSF (2017-18):

The Freeman Choral Boosters is working on a new website this year in addition to our facebook site. We are very hopeful that the Freeman chorus community can use the website as a new tool to stay informed about all things relating to Chorus (calendar of events, meeting minutes, board member contact info, concerts, competitions, Spring Trip, photos, videos, etc.) We hope to add photos and video clips from concerts, competitions and trips. Due to this increased social media presence, we are providing you with a form if you do **NOT** wish your son or daughter to appear in these photos/videos.

If you are OK with images of your child appearing on our website, you can ignore the form below.

Photography / Video Non-permission / Opt-out Form

(Complete and return this form to the Freeman Choral Boosters Social Media chair ONLY if you do NOT give permission for your son or daughter to appear in photos/videos that may be used for school publicity images, including postings on the website and/or social media.).

Students and the general public are advised that photographs/video taken at public events do not require authorization for publication. Your student will never be personally identified.

In addition to this form, a current photo of your son or daughter is needed at the time of submittal and must be attached to this form.

This opt out request is good for one school year September 1, 2017-June 30, 2018, and must be renewed each year to be valid (updated photo must be attached.)
