

Dear Community Neighbor,

The Freeman Choral Boosters is a non-profit organization devoted to supporting the young men and women in the Freeman High School Choral Program. Throughout the school year there are many great opportunities for students to learn and experience the arts and culture. There are also many needs and the boosters strive to help provide the students with equipment and other resources.

There are two main concerts during the year, in the Winter and Spring, where over 500 people attend a performance. We have the opportunity for community partners to engage in the choral program through buying ad space in these two concert programs. Please consider supporting this great program and being recognized as a partner of Freeman High School, its students and their families who live and shop in your community.

The deadline for payment and artwork is Friday, November 17, 2017. Artwork for ads should be emailed to dsfhscb@gmail.com, and checks should be made payable to **DSF Choral Boosters**, and mailed to 8701 Three Chopt Road, Henrico, VA 23229. We can also make arrangements to pick up artwork and payment from you at your convenience, just call Sara Martin at 804-432-8552.

Thank you in advance for your support!!

Ad sizes and prices

A] Full page:	8" x 10.5"	cost \$100
B] Half page:	8" x 5.25"	cost \$75
