Director's Report

Michelle Tuck

Concert this Thursday, May 19, 7pm. Festival has rehearsal on Tuesday morning.

Only Festival will perform for Baccalaureate and Graduation. Keith, guest choreographer, came back to show choir for a clinic. There is a TES fundraiser in Freeman gym on May 19th, same time as the concert so parking will be tight.

Lighting for this concert will be different than the winter concert; there will be less lights because drama had borrowed lights for their shows which are now gone. There is Wednesday after school rehearsal for all Choral students until 6pm. Students should arrive at Freeman at 5:30pm before the concert.

Friday June 3, Freeman Focus performance , Show Choir - 1:35-2:25
